On this site you can purchase and download digital .pdf files of scanned aircraft flight manuals. These digital flight manuals contain all the information required by the pilot, including a technical description of the aircraft, limitations, normal and emergency procedures and in most cases performance data.

Flight Manuals Online Home - Flight Manuals

With the real C-130, you takeoff with 50% flaps (yes it was specified in percent not degrees like with some aircraft), and, in the "dash 1" flight manual, a normal landing is defined as one done with 100% (full) flaps. (However, in practice, we usually landed with 50% flaps, unless we were practicing assault (shortfield) landings.
