City Of Dreadful Delight Narratives

City of Dreadful Delight is not as it would appear at first glance simply a history of Late Victorian London or the crimes of Jack the Ripper. Instead it is a post structuralist analysis of the time, when feminism would have it, that narratives of sexual danger and female victim hood arose in modern urban society.

The novel was an obscure "penny dreadful" —which, commercially, had failed miserably. It was regarded in its day as a story-line so improbable and so contrived that no reader could be expected to suspend disbelief. As it turned out, scientific and historical reality eventually caught up with and exceeded science fiction.
