A commercial auto insurance policy provides coverage for commercially owned vehicles used in business operations. A personal auto policy provides coverage for personally owned vehicles that are operated by individuals or family members for personal use. What is provided under Physical Damage Coverage\* in a commercial auto policy?

### Commercial Auto Insurance | Travelers Insurance

Commercial auto insurance is liability and physical damage protection for vehicles, such as cars, trucks and vans, that are used for business. Commercial vehicles require a separate policy because they're typically exposed to more risk than personal vehicles. Commercial auto insurance isn't just for industrial vehicles like semis or dump trucks.
