The depth of wisdom that has and still exists within the Native American culture today is astounding. There was no known system of writing within any of the ancient Native American cultures (not until 1821), so the wisdom of these beautiful people continued for hundreds of years (if not longer) by word of mouth.

Dr. Fritjof Capra is a scientist, educator, activist, and author of many international bestsellers that connect conceptual changes in science with broader changes in worldview and values in society. A Vienna-born physicist and systems theorist, Capra first became popularly known for his book, The Tao of Physics....

The Relationship between Science and Spirituality

Common sense in an uncommon degree is what the world calls wisdom. — Samuel Taylor Coleridge . Every trail has some puddles. There's no place 'round the campfire for a quitter's blanket. Tossin' your rope before buildin' a loop don't ketch the calf. Polishing your pants on saddle leather don't make you a rider.
