Simon Deakin is a Professor of Law at the University of Cambridge. He specializes in labour law, private law, company law and EU law. His research is concerned, more generally, with the relationship between law and the social sciences, and he contributes regularly to the fields of law and economics, law and development, and empirical legal studies.

Professor Simon F Deakin | Faculty of Law

Labour law (also known as labor law or employment law) mediates the relationship between workers, employing entities, trade unions and the government. Collective labour law relates to the tripartite relationship between employee, employer and union. Individual labour law concerns employees' rights at work also through the contract for work.
