the world. Since there are thousands of pages, you need to be very well versed with the site to get the exact content you are looking for.

Feminism Without Borders Decolonizing Theory

This book, feminism without borders, is the single best approach to feminist theory that I've ever read. The idea that there does not have to be a single, homogenous definition of what a feminist is, which is a central tenant of this book, is brilliant. The author starts here and beautifully explores this and related ideas.
