The success of my N2 textbook has encouraged me to write this N3 book. In this book I build on the philosophy of the N2 book, which was to include more descriptions and background information on the topics under discussion. Many students do not have access to other research material such as textbooks or journals.

PAST EXAM PAPER & MEMO N2

Industrial Electronics N2 syllabus. After leaving the department of Education in 1989, I spent more than three years in the private sector, involved with computer-based training, and later taught at a high school. It was worrying to see in the private sector how little students, who had passed the grade, really knew about
