How to deal with a check engine light on an Iveco
Hi I was wondering if anyone had had a problem with EDC unit on an Iveco. It is a 2002 model which has only done 34000Km from now. Last week the EDC light started flashing. I switched off the engine but then it wouldn't re start, totally dead. Breakdown mechanic came out and rigged it up to...

Flashing EDC light on Iveco | Horse and Hound Forum
If the light is on steady, then Drive the vehicle with caution, but get it seen to as soon as possible. If the light is flashing, don't drive the vehicle, and get it checked out immediately. EDC stands for Electronic Diesel Control. If the warning light comes on in a Iveco Euro Cargo, it usually means you need to change the diesel filter.
