The Landmarks Law requires that permits are obtained before making most types of exterior changes and interior work that requires a Department of Buildings permit. Most alterations to designated properties without an LPC permit or work done in noncompliance with an LPC permit are violations of the Landmarks Law.

### **Violations - LPC**

Landmark court decisions, in present-day common law legal systems, establish precedents that determine a significant new legal principle or concept, or otherwise substantially affect the interpretation of existing law.

### **Lists of landmark court decisions - Wikipedia**

The law protects landmarks from "demolition by neglect," which occurs when buildings have deteriorated to the point of collapse or where significant architectural features are damaged. To prevent demolition by neglect, the Landmarks Law requires that designated properties be kept in good repair. You may be issued a violation if you fail to keep a landmark building in a state of good repair.

### **Landmark Designation - LPC**

As a legal specialty, landmark and preservation law has developed as the number of designated landmarks has grown in the United States. Landmarks are often buildings such as hotels, homes, skyscrapers, theaters, museums, stores, libraries, churches, and synagogues.

The New York City Landmarks Preservation Commission (LPC) is the New York City agency charged with administering the city's Landmarks Preservation Law. The Commission was created in April 1965 by Mayor Robert F. Wagner Jr. following the destruction of Pennsylvania Station the previous year to make way for the construction of the current Madison Square Garden.

**New York City Landmarks Preservation Commission - Wikipedia**

Landmark definition, a prominent or conspicuous object on land that serves as a guide, especially to ships at sea or to travelers on a road; a distinguishing landscape feature marking a site or location: The post office served as a landmark for locating the street to turn down. See more.
