With just the right dose of academic pragmatism, *Police Misconduct in America* assesses the history of police excesses from 1900 to the present. At the dawn of the profession, police officers initially were hired based on physical strength, not personal skills. They did not understand the laws they were enforcing or how laws should be enforced.

Police Misconduct in America: A Reference Handbook: Dean ...

The American public respect their local law enforcement agencies but have increasingly come to view police as warriors and enforcers, not guardians. In fact, almost a third of the public now view their local police as serving an enforcer role instead of a protector role.
