Answer (1 of 3): I have a So-Fro sewing machine and I purchased from House of Fabrics when I worked there. It was their in-house brand and Brother was the company that made it for them. I don't know about your model but the one I have had for several has been a very good machine. It was one of the first computerized ones they sold.

Singer Sewing Machine Repair Questions, Solutions and Tips ...

The machine is from a company called SO-FRO, as far as I can tell, and the model is 4707 according to the manual. On the manual there's a few handwritten notes and there's water damage, one note saying "Received from mom and dad christmas 1983" It runs and works to some degree but the thread consistently gets caught in the portion of the machine where the needle dips down to interact with the bobbin thread.
