The store is easily accessible via any web browser or Android device, but you'll need to create a Google Play account and register a credit card before you can download anything. Your card won't be charged, but you might find it off-putting.

The Practice Of Statistics 3rd

I found this book to be an excellent review/refreshers of or introduction to statistics and experimental design. I took my first statistics course in medical school in the 1970's when statistics was all about math, proofs, etc. Fact of the matter is that most people who actually use elementary statistics do not have near enough math background to understand any but the simplest of proofs.
